- ➢ *Communication: info@eepek.gr .*
- ➢ *10th Conference's Website: http://synedrio.eepek.gr/index.php/en/ (English version)*

Aim

The conference aims at promoting fruitful and constructive dialogue within the educational community and at laying the foundations of broader concerns regarding the adoption of educational innovations regarding either teaching and learning or any other aspect of the educational process and school life.

Papers of the *10th International Conference for the Promotion of Innovation in Education* will be submitted in either English or Greek. The conference will also include a) several invited speakers (renowned academics of European mainly educational institutions, as well as b) papers by teachers from countries other than Greece.

The conference addresses teachers and university students with interests in all educational issues.

More than 11.000 educators participated in the 9th EEPEK conference and more than 730 papers were submitted (acceptance rate: 75%).

Key Topics

1. Innovative teaching practices and methodologies for all stages of education (Pre-school, Primary, Secondary, Higher Education), and educational fields.
2. The use of ICT in teaching and learning (educational software, Internet, etc.).
3. Special Education (at all stages of education).
4. Education of Adults.
5. Educational Psychology.
6. Organization and Management of Education.
7. Educational Robotics and Technology.
8. Teachers' Training.

Call for Papers

The Conference submissions should be *full articles - papers: 6-9 pages (including references) in English.* This includes coherent articles and original works (literature studies, research, teaching suggestions, pedagogical approaches, teaching methods and practices, teaching aids, teaching materials, educational activities, studies, research, organization, and management of education etc.). Each paper may be presented at the conference by one of the authors. However, in case they are not able to do so, authors from abroad, may send a video presentation (Power Point or any video file) with their slides and their speech integrated (recorded), once their paper has been accepted. The video presentation should last 10-15 minutes, will be presented at the conference and the relevant paper will be included in the conference's proceedings.

Formatting Details: Title (Calibri, 14), Names and authors' contact details (Calibri, Bold, 12), Abstract (150 words max, Calibri, 11), Keywords (Calibri, 11), Body (Calibri, 11), References (APA style).

Page size
The page size must be A4 (21 x 29,7 cm).
Margins
Choose "Normal" Margins, that is: Top & Bottom margins: 2,54 cm, Left and right margins: 3,17 cm.
